On Friday, May 8, salons and barber shops will be allowed to open under rules and guidelines from their state licensing agency and Governor Abbott.

The information from the governor's office with regard to opening salons and barber shops can be found at <https://gov.texas.gov/organization/opentexas>.

The city and county are strongly advising stylists, barbers, and their customers to wear masks. Any business that chooses to make it mandatory for themselves and customers to wear masks has the right to refuse service to anyone. A business that has a "no mask, no service" policy has the support of the city, including, if necessary, a law enforcement response.

We have come a long way as a community to stop the spread of Covid-19. Let's keep up the good work Uvalde and Uvalde County! And remember, wash your hands (times three) and practice good hygiene.

William Mitchell, County Judge
Don McLaughlin, Mayor
