Addendum attached with additional service address/ESIID(s)

Authorization:

_____ By initialing here, I acknowledge that I have read the Terms of Service for the product for which I am enrolling.

_____ By initialing here, I acknowledge that I understand that the price I am agreeing to is 5.9 cents per kWh with a \$ 4.95 monthly base charge per meter (ESIID) plus any applicable charges from the TDSP, the terms of service that I am agreeing to is 12 months, that I will be required to pay a deposit in the amount of \$ _____ in order to enroll, that I prefer to receive information from APNA Energy in English/Spanish (circle one), and that there is Early Termination Penalty that is equal to two average monthly energy bills as described in the Terms of Service.

_____ By initialing here and signing below, I am authorizing APNA Energy to become my new retail electric provider and to act as my agent to perform the necessary tasks to establish my electric service account with APNA Energy. This authorization to establish my electric service with APNA Energy extends to all locations in this Letter of Authorization as describe in the Terms of Service.

I have read and understand this Letter of Authorization and the terms of service that describe the service I will be receiving. I am at least eighteen (18) years of age and legally authorized to select or change retail electric providers for the service address(s) listed above. By signing below I personally and unconditionally guarantee and amounts or indebtedness incurred for the services that will be rendered by APNA Energy.

Signature: _____ Date: _____
 Print Name: _____ SSN #: _____ Aggregator: First Innovative Power

You have the right to review and, in the case of a switch request, rescind the Terms of Service within three (3) federal business days, after receiving the Terms of Service, without penalty. You will receive a written copy of the Terms of Service document that will explain all the terms of the agreement and how to exercise the right of rescission before your electric service is switched to the REP
